

Submitter: Gregory Bolton

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

I oppose the passing of this measure. What's frustrating is the same congress people that claim to be in favor of lowering rent and housing costs want to control property taxes so they can increase state revenue. We ALL know that property taxes are sure to go up if controlled by the state. This will in turn increase housing costs and, as a result, rent costs. This is a dumb bill. Please don't let it happen.
