To House Committee on Rules.

I am a senior living on a very low income. I would urge you to not overturn the voters wishes on this bill. I can not continue to have my property taxes to go higher. My homeowners insurance have increased by 800 dollars in the last two years with no claims. I'm in the process of looking for new ins. If my property taxes go up i'm not sure I will be able to stay in my home. Oregon already has a homeless problem. I don't want to be one of them. I'm 72 living on my little SS.I ask you would you want your grandmother living on the street. Please consider rethinking this.

Sincerely Louella Young
