

Submitter: Ellen Avis

On Behalf Of:

Committee: Senate Committee On Education

Measure: SB1583

As a librarian and a parent, I strongly support this bill and urge you to vote for it. Young people need to learn about the contributions of all types of people, those that resemble them as well as those who are different. Presenting children with a biased and inaccurate view of history does them and our society a disservice. School curricula should foster critical thinking, not bigotry.
