Committee: House Committee On Rules
Measure: HJR201

2/12/24

Hello Representative,

I am requesting that this email be put on record for the House Joint Resolution 201.

House Joint Resolution 201 needs to be cancelled.

I do not support this. There are too many flaws, it would cause more harm than good for the residents of Oregon.

I request that you do NOT support House Joint Resolution 201.

Thank you,

Connie Mager
