

Submitter: Cammi Turnbow

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

This resolution to amend the Oregon Constitution has been put to the legislature to impose a state property tax to fund public safety statewide. The city of Portland cut millions of dollars from the police bureau budget...public safety. This decision was made by Portland for Portland. The people of my community should not have to shoulder the burden of another community's fiscal budget decisions. I OPPOSE HJR 201.
