

Submitter: John and Kelty LaRocco  
On Behalf Of: Pro Lumber Inc  
Committee: Senate Committee On Finance and Revenue  
Measure: SB1542

As a small business owner in Florence, Oregon, we strongly plea with the committee to pass this legislation to reduce the financial burden of small business in Oregon. The CAT tax is a huge financial burden to our business, as it is to all Oregon businesses. This was a BAD tax to begin with, and is hurting all small and medium business in Oregon.
