On Behalf Of:

Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

The continued regulation and fees have caused my family to move our water activities to other areas.

I license my boat and all drivers I should not have to get a special boat and drivers license to use it the way I have been doing it for decades.

Enforce the laws that have been on the books for decades. Don't limit use because of a small group of trouble makers.

Give us back our river .
