

Submitter: Stan wells

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

I hope that you reconsider this outlandish bill. I am a retired grocer with zero pension monies and just social security income to get me by. If I had a nice fat PERS pension, or a union pension, it would be a different matter to me. As it is now it's a daily struggle to survive. Please consider your less fortunate taxpayers and withdraw the bill. Thank you
