

Submitter: Cindy Peterson

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

I oppose HJR, we are already taxed too much in this state. I fear that an increase in already high property taxes will force us out of our home and the money collected will not benefit us locally but be used for purposes I don't necessarily agree with. I understand there is a gas tax coming our way also, enough is enough retired citizens cannot keep up with all these tax increases.
