Measure: HJR201

The voters have clearly voted to protect against this in the past. I just paid my property taxes. They have doubled in the last 21 years. This will hurt every Oregonian. Even renters and all the money we have to pay to support OR open boarder, Sanctuary statis.

I feel that I already pay more than I should for my own property. I will vote against anyone that can't live within their own budget.

Please try and clean up your own mess, by letting tens of thousands of illegal NON taxpayers into Oregon.
