

Submitter: Gregory Stein

On Behalf Of:

Committee: Senate Committee On Education

Measure: SB1583

Parents have the right to decide what their children are being taught in school. The over sexualization of our children is alarming. No critical race theory. No Gender affirming care or any other Marxist nonsense should be taught in school. Reading, writing and arithmetic, along with history and civics ought to be taught. The bare minimum.

Thanks,

Greg, a very concerned parent.
