

Submitter: Jon Greeney
On Behalf Of: Oregon Symphony
Committee: Senate Committee On Labor and Business
Measure: SB1582

I have been a musician with the Oregon Symphony since 2010. We have a huge impact on the community bringing in hundreds of thousands of patrons every year. Our cultural impact is felt all throughout the city. We bring community to downtown Portland, helping restaurants and other vendors thrive. It is difficult to make a living as a musician in Oregon. Many of us have to resort to other sources of income as well as traveling to perform in other destinations. SB 1582 is crucial to the health and vibrancy of the arts community and beyond in Portland. Please consider approving SB 1582 to help Portland thrive!

Thank you for your consideration,
Jon Greeney
