Measure: HJR201

We are elderly & on SS - fixed income. Our prop taxes have gone up 25% in just 5 years. If they go up anymore, we will be forced to move to another state. It's not fair we have worked this hard to pay for all these programs that don't help us. We don't want to end up being homeless & on the street. None of the programs put in place ever help the retired folks & we worked for 50 years!
