Measure: HJR201

I am a senior living in Oregon. In comparison to friends and family, Oregon has a high tax rate in comparison to Arizona, Washington or Florida. I'm sure there are many other states. Why punish property owners by raising their taxes... it isn't a fair tax state wide. It only affects property owners! Why not propose a sales tax... I believe that is the only fair tax because it affects EVERYONE. Please say no on HJR 201 (Statewide property tax)
