On Behalf Of:

Committee: Senate Committee On Education

Measure: SB1583

Our kids deserve to see themselves represented in our schools and libraries. ALL of them. Not just straight , white, Christian kids.

Our kids also not only deserve, but need to know the full, accurate, and unbiased history of our nation and the world. The good, and the shameful parts. Anything less is a failure of the system and a huge disservice to our future generations.
