NO MORE TAXES!!!

With the downturn of the economy, inflation, increased taxes, useage fees, CAT tax, road tolls, etc....at every turn--

I cannot exist much longer in this State. My family and friends are here but liveability and

moreover affordability is out of reach for most of us. Our children want to raise their families here but it is IMPOSSIBLE at this rate. I have been a small business owner in the State for

over 40 years and am being taxed 'to death'-- it is very difficult to maintain a business here and have given

great thought to moving the business and family elsewhere.

Bottomline--NO MORE TAXES and reduce/deregulate the ones we have now!!!
