

Submitter: Sally Ahlstrom

On Behalf
Of:

Committee: Senate Committee On Veterans, Emergency Management, Federal
and World Affairs

Measure: SB1548

I am totally in favor of living on standard time 12 months of the year! It is so confusing to have to reset all the clocks in the house, not to mention adjusting sleeping habits, and other habits of daily living twice a year! Let's go with God's time all the time!! (You can quote that if you want to!! (:)
