

Submitter: Patricia Swinehart  
On Behalf Of: Myself  
Committee: House Committee On Rules  
Measure: HJR201

No new taxes! No statewide property tax! It bankrupts and forces many many homeowners who have their homes paid off and on fixed incomes to sell to survive! Young families who barely can afford their mortgages cannot continue to have their cost of homeownership go up up up! You're creating fertile ground for foreclosures!! Let's start focusing on creating a state where businesses want to come and bring great jobs! Quit passing out free stuff!!
