Measure: HJR201

I strongly oppose this House Joint Resolution; this is an economy killing tactic. Oregon is the most overtaxed state in the union. Please stop doing everything in your power to destroy our state. Less Government reach, tighter government spending, less handouts to those who choose not to work. We are getting a huge kicker back. Oregon does not need any additional revenue; Oregon needs to prioritize spending! Please stop the madness.

Democrats have owned the state of Oregon for many years. They are proud of it. Republicans haven't set policy for 30 years. Republicans haven't made laws for 30 years. Republicans haven't had the power to do anything for years. WE are living the Democrat vote in Oregon; are you part of the problem or will you become part of the solution?
