Measure: HJR201

I have spent almost half of my adult life serving in the US Army. I retired 24 years ago and scrimp to make the property tax payments now. I lost my wife of 30 years in 2022, to cancers. My retirement check and VA Disability check along with Social Security are pretty thin. If this bill passes, I'll be forced to sell the house I bought for my wife's 7th anniversary present. I would then move out of state to a more affordable locale. I'm expecte4d to manage my finances without stealing from others to make ends meet. The taxpayers oof Oregon expect the elected officials to do the same, without taking every penny we make to line the coffers of the state for frivolous projects.
