Measure: SB1583

I oppose SB 1583. Oregon is ranked as one of the lowest in basic education, yet this is where we put our priorities. Our standards continue to be lower and our youth continue to get dumber. Our public schools, funded by we the people, continue to be an embarrassment. I can't believe I have to take time out of my day to say...STOP WITH BRAINWASHING AND TURNING KIDS INTO ACTIVISTS INSTEAD OF CRITICAL THINKERS.
