

Submitter: Gina Ragsdale
On Behalf Of:
Committee: House Committee On Rules
Measure: HJR201

RE: HJR 201

As a retired senior citizen living in our beautiful State of Oregon I am begging you to reconsider voting NO on this bill to raise funds for public safety through raising taxes. Those of us on fixed incomes already find it difficult to manage the property tax situation this State has levied against us as property owners. Please do not make it more difficult.

Respectfully,
A Concerned Citizen and Voter
