

Submitter: Pamela Ezell

On Behalf Of:

Committee: House Committee On Business and Labor

Measure: HB4050

A) this is NOT an emergency B) micromanaging... compensation should be based on abilities to perform the work effectively. Compensation based on anything else is like everything else in life; If you want it bad enough, work hard, raise your level of knowledge, move up to another position somewhere else. There should be a range of salary based on levels of experience or productivity within that range.
