Measure: HJR201

As a resident of Portland I oppose this resolution. Oregon is already a very expensive state to live in. At every turn, there is a new tax, increase fee, higher bill rates. Oregon leadership has proved time and time again that they do not know how to appropriately budget or plan for taxes. This has been proven with the ever-increasing kicker. As we fight inflation and housing costs, this is not the answer. Do not push this through. This is not what the people want and this is not in the best interests of the people.
