

Submitter: Michael Harrington
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB1576

Dear Chair Prozanski, Vice-chair Thatcher, and members of the committee,

I am writing in support of SB 1576. It is essential for my community that recreational immunity is restored. I live at Agate Beach near Newport. Virtually everyone in our neighborhood uses the local beach access maintained by the City of Newport. Agate Beach is used by hundreds of people for surfing, clamming, exercise and enjoyment of this natural space. Lack of public access would be a great loss for the community. Please pass SB 1576-3 with language that clearly restores recreational immunity for public and private landowners and clearly applies to both improved and unimproved trails

Thank you, Mike Harrington?
