

Submitter: Jacek Haciak
On Behalf Of: DynamicChanges LLC
Committee: Senate Committee On Education
Measure: SB1583

Chair Dembrow, Vice-Chair Weber, and Committee Members,

I am writing in support of SB 1583.

All citizens need access to all thought and ideas in order to develop understanding of our existence and promote healthy living. We must protect all books from censorship which display and embrace human diversity and inclusion.

Please pass SB 1583

Thank you.

Jacek (Jack) Haciak, PsyD, Director
