

Submitter: Cyndi Curtis

On Behalf  
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and  
Water

Measure: HB4106

I oppose HB 4106. If passed, this bill undermines the state forest HCP and would result in more clearcuts, less habitat for salmon and wildlife, and more timber industry lawsuits. Please oppose HB 4106 and don't let this bill pass out of committee.
