Committee: Senate Committee On Human Services

Measure: SB1591

I support having 7 residents in adult foster care home. My name is Ana Petras and I've been an adult foster care home owner for 23 years and I think it's a great need and it would really help.

We cannot afford to stay open with your Medicaid rates. We need an increase in the Medicaid rates and also an increase in our capacity to be able to continue the great care needed for our frail elderly.
