

Submitter: Deborah OKelley

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

I greatly plead with you not to pass this state property tax. I am a 75 single lady trying to make ends meet now with this high inflation and I have had to return to work in order to do so. I am tired. I am very tired. Please do not burden us elderly and struggling families anymore. It will break us. Please find another way to fund your needs. I had to and I did.
