

Submitter: Brittany Bogue

On Behalf Of:

Committee: Joint Committee On Transportation

Measure: SB1572

To the members of the Joint Committee on Transportation:

I urge your support for SB 1572 directs the Oregon Department of Transportation to study extending the WES Commuter Train from Wilsonville to Salem. Options that reduce reliance on private cars can help to reduce climate impact and hazards related to driving. Additionally, commuter rail helps provide dignified transportation options for those who do not or cannot drive.
