On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

I strongly oppose changing the constitution to collect and manage property taxes at the state level and creating an administrative authority for funding public safety in this state. It grows bureaucracy, asserts future authority to raise tax and is not the answer to the issues we face with funding in Oregon. We the people ask that you perform with the money we already give you, be creative, make good decisions and stick to a budget like every other household is doing right now in Oregon.
