On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB1591

My name is Vlad Enakiev and I have been an owner and operator of an adult foster care home for 6 years. I encourage and support having 7 residents in all adult care homes. We are providing care for an incredibly growing geriatric community who are constantly in need of individuals who can provide/offer our type of care and services. We simply cannot operate our care homes and cover care costs with current care rates that Medicaid is offering.
