

Submitter: Mike Sears  
On Behalf Of: Self  
Committee: Senate Committee On Finance and Revenue  
Measure: SB1542

Greetings:

I support the modification of CAT tax as a weak compromise for a bill that was illegally enacted by Governor Brown through executive orders. The failure of the Legislature, Secretary of State to challenge the CAT tax is unforgivable and should be repealed as a due process action.

The small changes of the bill provide a small relief to smaller businesses which is a positive action which I support.

Respectfully Submitted

Mike Sears
