

Submitter: Kathy Shaw

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

Times are hard. The price of everything has gone up. Oregonians are struggling to survive. Homelessness is rampant and this will only make things worse. It is time Oregon tightens its belt like so many residents have had to. This bill will increase the price of everything we purchase. It will increase the cost of food and shelter our basic needs. Please vote no on HJR201.
