

Submitter: Candice Fuller

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

This Bill is outrageous, Oregonians are already taxed to death top 10 in the country . This will just drive more people to exit Oregon. Besides all taxes being unconstitutional this is especially one. Start standing up for Americans and Oregon quit voting for greed and not Citizens in Oregon. I highly oppose this and will not support any legislators that support this bill.

Thank you

Candice Fuller
