

Submitter: Bryan M

On Behalf Of:

Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

SB 1590 aims to enhance the accessibility of towed water sports for numerous families in the Newberg Pool region. It involves the reinstatement of thoughtfully designed zones, crafted in collaboration with various stakeholders such as small enterprises, environmental advocates, and homeowners by the OSMB. These designated areas prioritize safety for both river users and the ecosystem, effectively regulating towed water sports activities to appropriate locations.
