Measure: HJR201

As a long time Polk County property owner, I strongly oppose changing the constitution to collect and/or manage our property at the state level. The state has not proven to spend our tax money wisely and until proven otherwise, do not pass this bill. Homeowners have enough challenges with current taxes, restrictions on "our" property, and other mandates that allowing the state to manage would be detrimental. We will pay close attention who votes on this. Thank You
