

Submitter: Jay Crum

On Behalf  
Of:

Committee: Senate Committee On Veterans, Emergency Management, Federal  
and World Affairs

Measure: SB1548

I am writing in opposition to this measure. I supported the 2019 measure on keeping Oregon on year-round Daylight Savings Time. I have always thought that it made more sense to "ditch the switch" in favor of DST. Those of us who experience seasonal depression have an awful time in the fall, when the switch to Standard Time occurs. We love DST, and want to keep it.
