

Submitter: Marsha Richmond
On Behalf of:
Committee: Senate Committee on Education
Measure: SB1583

I am writing in support of SB1583 which will prevent discrimination in the selection of books, magazines, and educational videos that reflect student populations in a culturally and linguistically appropriate manner.

Censorship attempts have risen dramatically not only across the United States but in Oregon as well. SB1583 brings needed clarity to help schools and school boards comply with the prohibition on discrimination required by ORS 659.850.

Please vote to pass SB1583 with the proposed amendment from the Oregon Library Association.
