

Submitter: Heather Pitts

On Behalf Of:

Committee: Senate Committee On Education

Measure: SB1583

Chair Dembrow, Vice-Chair Weber, and Members of the Committee,

I support Senate Bill 1583. Discrimination should not be part of the selection or deselection process for educational materials. Minoritized communities should be heard fully and their contributions should be honored.

Parents can and should guide their own children's learning and development, and allow others the freedom to develop their own approach.

Thank you for the opportunity to submit some words of support. I urge you to vote yes on SB 1583.

Sincerely,  
Heather Pitts
