

Submitter: Max Macias

On Behalf Of:

Committee: Senate Committee On Education

Measure: SB1583

I do not condone nor support censorship in any way. Books are edifying and had a huge impact on my development. My single mom allowed me to check out anything I wanted at the library, which was good for me. As an adult, I appreciate the capitalist idea of a free marketplace of ideas--this should exist in all libraries.

Thank you,

Max Macias
