

Submitter: Gary Ploski

On Behalf
Of:

Committee: Senate Committee On Veterans, Emergency Management, Federal
and World Affairs

Measure: SB1548

I am writing to express my SUPPORT for Senate Bill 1548, i.e. to be exempt from switching to and from daylight saving time.

The science, failed DST experiment in 1974 and federal legislation is behind this switch. And, more importantly, so is the public's will.

Thanks for your support of this legislation and for moving it forward.
