

Submitter: Brent Arritola

On Behalf Of:

Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

SB 1590 will increase public access to towed water sports for hundreds of families along the Newberg Pool. This includes restoring carefully planned zones by the OSMB, shaped with input from diverse river stakeholders including small businesses, environmentalists and homeowners. These zones ensure safety for river users and the environment by limiting towed water sports to suitable areas. Waves created by boats from a safe distance (i.e. 200 feet+ from shore) do not significantly impact shorelines according to peer-reviewed scientific studies.

My family and I have been using the Newberg Pool for 2 decades. We support 1590!!
Thanks!!
