

Submitter: Sergiu Matias

On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB1591

My name is Sergiu Matias. I am an Adult Care Home operator here in Portland. I support the measure that will allow us to have up to 7 residents in our adult care home as well. I support the increase in payment for residents. This will benefit not only the operator, but it will incentivize the operators who are not working with Medicaid residents, to work with residents on Medicaid.
