

Submitter: Matt Inscore

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SB1542

To whom it may concern

The Commercial Activity Tax has been devastating for my business. We operate on small margins placing a heavy burden on my business. Being a small business, this also had a large, unexpected cost as our taxes became significantly more difficult to prepare and they cost us thousands more to file. Please increase the threshold to \$5 million.

Thanks,

Matt Inscore
