

Submitter: Roberta Lee

On Behalf Of:

Committee: Senate Committee On Education

Measure: SB1583

I work in a public library where I help people everyday find answers, do research and seek information. I see the importance of access. I am supporting SB 1583 that will prevent discrimination when selecting textbooks, instructional materials, program materials or library books in public schools and hope that you will vote to support the bill when it comes up for a vote (in committee/on the floor).
