On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB1591

My name is Andreea Tufisi and I have owned and ran an adult care home for 10 years. I support having 7 residents in an adult foster care home. I do believe that this change is much needed.

The Medicaid rates are extremely low for our type of homes in order to be run and kept open. We need an increase in rates for Medicaid and an increase in number of residents in order for us to provide the care needed for the elderly population. Thank you for your time.
