

Submitter: Vance Peterson

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

I strongly oppose HJR201. Public safety has always been and needs to continue being funded at the local level. Allowing the state to administer a property tax will harm Oregon's taxpayers and drive businesses away from the state. Greedy politicians need to keep their hands out of our wallets and, instead of coming up with this kind of nonsense, focus more attention on spending taxpayer dollars more efficiently."
