

Submitter: Steve Hockett

On Behalf Of:

Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

I encourage you to pass this bill so that working Oregonians, who spent their hard earned money to purchase a boat, will be allowed to use the boat for recreation again in this area of the river. The previous bill selectively excluded boat owners from even being able to use their boat for water skiing or tubing recreation, which has been allowed for years.

Thank you for considering this information to vote in favor of this bill.
