Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

I am in full support of this measure being passed and allowing Oregon towed water sports. I have lived on the Willamette river in Wilsonville Oregon my entire life and grew up going out on the boat to wake surf, wake board, and tube with my family and friends. The summer time in Oregon is a very special time for family and friends to get out on the water and have some fun. There is no reason why towed water sports shouldn't be allowed on the Willamette river like it has been in the past.
